I am an avid designer with more than 4 years of experience gained during my studies. I enjoy designing new projects, but also improving existing solutions with an emphasis on human-centered design.

👤 Work Experiences

Argo22 | UX designer

České Budějovice 2019 - 2020

Collaborated on the design of a service **MawisPhoto** from scratch to the final product. The service allows documenting the construction process through 3D models with a geodetic focus.

Led a redesign of the **moyobo** service for top athletes by Tomáš Verner.

- Creating user flows
- Wireframing
- Prototyping
- Communicating with developers
- Usability testing with end-users

Blue Sky Media | UX designer

Prague 2016 - 2017

Designed UX processes for **MyFilmhouse** in Nigeria, with movie rentals.

Designed a movie database application for South Africa **FriedPlantains**.

- Wireframing
- Prototyping
- Creating a design system
- Presenting results to American stakeholders (in English)

Viva Design | 3D artist

Tábor 2012 - 2015

Created 3D models of industrial design packages **FeelEco**

- Modelling, texturing, lighting
- Creating animations
